Context

 OUR OFFERING

We bring together all of
your accounts, so you can
conveniently **manage your
finances from one place**

- On Mobile
- On Web
- On POS Machine

Services

- POS TERMINALS

BUCKS Limited is licensed by the Central Bank of Nigeria to distribute and deploys POS terminals for business use in line with statutory financial and banking laws. With a vast range of available POS terminals from reputable manufacturers, business owners can adopt a more cashless transaction system to enhance business efficiency. We properly dispose of old and defective payment terminals. Our POS terminals provide businesses with a unique platform and totally reliable for deploying and managing payment as well as value-enhancing business services.

- MAINTENANCE & SUPPORT

We deliver quick and reliable operational and support services to businesses running on PoS terminals from our accredited manufacturer. Our management, and support offerings are to all classes of retail merchants on behalf of Merchant Acquirer Banks. To ensure quick error resolution and zero downtime on all terminals, our field support staff pan-Nigeria are always at hand, 24 hours a day, to render assistance and support.

Services

- CUSTOM SOLUTIONS

We keep a very cordial relationship with banks, merchants, and other players to integrate POS terminals with business systems. We help businesses develop innovative business solutions tailored to their e-payment needs. Whether you are a small merchant that require simple payment solutions or a large corporation with specific needs, we've got you covered with our broad range of e-payment solutions, guaranteed to take your business further.

Problems

Payments

- Slow rollout of POS devices to small businesses
- High transaction fees
- Delays in payment settlement
- Frequent transaction errors & network issues
- Unresponsive POS customer support

Lending

- Complex loan application process, designed without SMEs in mind
- Long application to disbursement time
- Lack of education on loan terms and best practice

Savings

- Lack of education on savings products
- Board based products that do not meet the needs of SMEs
- Lack of trust and transparency in the system
